Northampton Community College
Early Childhood Online CDA Program (ECDAC100)

Welcome to Online Learning at Northampton Community College. You have enrolled in ECDAC100 which is an online program. This online program encompasses three (3) credit courses or (9 credits)

- EARL106 – Early Childhood Development and Learning,
- EARL217 – The Child, Family and Community, and
- EARL244 – Early Childhood Profession.

Your course uses Blackboard, NCC's Online Learning System, for your course site. Please note: Must have access to a standard computer (PC with Windows or Mac) equipped with camera and microphone. You may access Blackboard from http://northampton.blackboard.com. Also note Blackboard works best with Google Chrome or Firefox browser.

You will not have access to Blackboard or your course site until the semester officially begins. Consult the information regarding registration for this date which was processed in the Lifelearn system northampton.edu/lifelearn. When you have access to your course site in Blackboard, your syllabus and other information will be available to you online.

Blackboard Login Procedure:

1. Your Blackboard username is your access code #. You can locate your access code # which begins with an ll, in the email that is sent to you when you enroll. This is not your social security number. Please email svietmeier@northampton.edu and ask to have your "ll" code regenerated for you.

2. Your initial Blackboard password is also your access code #. If you previously used Blackboard and have a different number other than provided here, you will not be able to access this course. Again, please refer to the email sent to you when you enrolled to find your access code" ll" #.

You can email requests for technical assistance to helpdesk@northampton.edu
Accessing Your Textbooks

IF YOU ARE WITH ECE PDO at PHMC, textbooks are included in your registration. Book shipment will be processed after the registration deadline. Books will be shipped directly to you via the address you listed at registration. At registration, you should have answered the question about your discipline. If you did not answer correctly, immediately contact education@northampton.edu and notify us of your correct discipline (Infant/Toddler OR Preschool OR Family).

IF YOU ARE WITH ECE PDO at PASSHE, textbooks are not included and you will need to follow the information below regarding ordering.

2 resources are required for this program:

1 (ONE) TEXTBOOK & 1 (ONE) CDA APPLICATION PACKET

Please pick your discipline (Preschool or Infant/Toddler or Family) before deciding on your materials order. Again, one textbook and one application packet are all that is needed for this program.

- Textbooks can either be ordered from the NCC bookstore, or directly from The Council for Professional Recognition which is Essentials for Working with Young Children 2nd edition. This textbook is the same for Preschool OR Infant Toddler here.
- The CDA Competency Standards Book can either be ordered from NCC bookstore, or directly from The Council for Professional Recognition (Preschool OR Infant Toddler OR Family).
- If you are Spanish speaking, please first email svietmeier@northampton.edu and then select Spanish. We will need to notify the instructor and the bookstore.
